

CUCUMBER ICE

SORBET MASQUE

Cucumber Ice Sorbet Masque is a very gentle facial cooling gel. It is recommended as a calming and soothing regimen for all skin types (including sensitive skin). A natural synergy of herbal extracts (Cucumber, Chamomile, and Aloe Vera) provides an anti-irritant effect and helps to reduce redness and inflammation associated with in-salon treatments or environmental pollutants. Use of this cooling gel masque at home (2-3 times a week) helps to prevent blemishes and promotes hydration.

Key Ingredients: Aloe Vera Gel, Glycerin, Extracts of Cucumber, Chamomile, Pineapple, and Yarrow Flowers, Allantoin, Sodium PCA, Chlorophyll, Amino Acid Condensate, Super Refined Sea Water, St. John's Wort Extract.

Directions: Recommended for all skin types. Apply a thick layer to face and neck. Leave on for 10-15 minutes. Remove with tepid water, and follow with moisturizer. Use twice a week.

Professional in salon use: An effective addition to sensitive skin treatment protocol. Can be used as a cooling, calming, moisturizing and skin protective mask following in-salon procedures (micro-dermabrasion, glycolic, enzymes, LED). This is a non-setting type of mask (does not dry on the skin). Provides instant moisture relief with a long-lasting soothing and comfort effect. #608
